Charting the Future of Human Factors & Ergonomics

SIM University

To celebrate our 30th Anniversary, HFESS will be hosting the Human Factors Symposium at SIM University, Singapore. As a federated member of the International Ergonomics Association (IEA) we are honoured to invite IEA speakers to deliver a wide range of topics. Dr Yushi Fujita, President of IEA will be presenting the opening speech.

The goal of this symposium is to provide a platform for local, regional and international HFE practitioners to discuss HFE challenges in technological landscape and the potential research directions to focus on.
